West Virginia University: Ivy-covered buildings of serenity and tradition, modern structures proclaiming progress. Crowds in khaki raincoats and tennis shoes, crowds cheering with abandon. A student, alone, wondering, seeking to grasp new concepts. A professor—dedicated, earnest, weary. Parties of glittering fantasy, stray laughter. The veiled and solemn rites of Greek initiation. The campus leaders, the quiet scholars, the emotions, the ideas and the ideals. All these are part of the University, but the University is more than any one of these or all of these. Merged and united, they take on a new shape, a new essence.

The University is like the pattern of a kaleidoscope, formed of diverse fragments, interweaving persons and events and objects. It is a design so complex that it will never again be duplicated, a design in which each part contributes to the whole. It is Beauty, Thought, Life. As the hand of time endlessly turns the kaleidoscope, a new pattern evolves, each slightly, almost imperceptibly different than the last.

Through the words and pictures of the MONTICOLA, we have attempted to capture and preserve one year at the University. A year in many ways unique, in many ways similar to those that went before; a year, now passed, that will never die as long as you, the individuals who lived it, remember it. To you we dedicate and present—

ITY KALEIDOSCOPE

I am the fleeting, whirling year;
I am the campus of the mountaineer.
I take . . .
Arms, book-laden, passing down a corridor,
Or open in welcome to a long-awaited pledge;
Feet dancing, the rustle of taffeta,
Or beating staccato on a muddy field;
Heads bowed in worship's reverent peace,
Or lifted to receive a campus crown;
Eyes riveted upon a ball gracefully arching,
Or wandering idly from neglected books;
Voices joined in Friday's carefree laughter,
Or hushed with a tender goodnight.
I mingle these framents of diversity,
I form a pattern — vibrant, unique, intricate;
Each of you is a part of me, I encompass you
For a year, for the eternity of memory.

GOVERNOR

William Wallace Barron was inaugurated as the twenty-sixth Governor of West Virginia on July 16, 1961. Educated in the public schools of Elkins, he studied at Washington and Lee University, where he received his A.B. degree; and in June, 1941, he obtained his law degree from the West Virginia University College of Law.

Prior to becoming Governor, Barron served in the army for three years during World War II, was Attorney General for four years, chairman of the Liquor Control Commission, a Randolph County member of the House of Delegates, and mayor of Elkins.

BOARD OF GOVERNORS

In the Board of Governors resides the authority to direct the educational, administrative, and financial affairs of the University. This bipartisan board consists of nine members appointed by the Governor. By staggering terms of office, the Board is insured of having experienced members. Traditionally the members are prominent state leaders who are willing to devote time and effort to the improvement of the University; this year, as in the past, the Board of Governors has exerted its influence to help the University and has played a major role in its advancement.

PRESIDENT

DR. PAUL MILLER
President

Dr. Paul A. Miller, who has assumed full duties as President of West Virginia University in January, 1962, and was inaugurated in April, promises to add distinction to the campus. In the short time he has been here President Miller has initiated programs that should prove beneficial and has demonstrated his interest in the welfare of the school he has chosen to serve. Although he is a newcomer to the administrative position at the University, his knowledge of the campus goes back to his undergraduate years; for Dr. Miller, an outstanding student, received his B.S. from West Virginia University in 1939. As a student, he was elected to Mountain and to Alpha Zeta and served as captain of the boxing team and as student assistant in biochemistry. He succeeded Dean Clyde L. Colson, Acting President.

To the Elections Committee falls the time-consuming job of conducting student elections; to the Finance Committee belongs the task of supervising the spending of funds so that they will be used most fairly and efficiently.

CO-ORDINATORS OF STUDENT AFFAIRS

The co-ordinators of Student Affairs, appointed by the Executive Council and approved by Student Legislature, plan the major all-campus week-ends and conduct activities such as Spiriteers, Freshman Orientation, and Transfer Orientation. Establishing the procedure and enforcing the rules for Rush Week and Universal Initiation Week head the list of the responsibilties of the organization. By providing a link between the University administration and the fraternities, Inter-fraternity Council helps to create understanding and to improve their relationship; by encouraging scholarship and gentlemanly conduct among Greek men, it helps to raise the standards of its member groups. Greek Week, which has become a major event on the campus social calendar, is sponsored by the organization. The activities are designed to bring sorority and fraternity members closer together by providing an opportuntiy both to work together and to mix socially. Inter-fraternity Council also sponsors the United Fund Drive and helps with foreign student aid. The council is largely responsible for the co-operation which has been attained and has accomplished much work essential to a healthy fraternity system.

PANHELLENIC COUNCIL

Panhellenic Council, composed of a junior and senior representative from each social sorority, has as its goal the promotion of cooperation among sororities. Social activities such as the exchange dinners, pledge breakfasts, and Women's Pan aid in achieving this goal. Panhellenic works closely with Inter-fraternity Council during Greek Week and for the Panhellenic Leadership Conference, which was first initiated last year. By formulating and enforcing regulations for sorority rush and by publishing the booklet, "Meet the Greeks," Panhellenic contributes to an effective and fair rush season. In order to encourage scholarship, the Council annually awards trophies to the chapter and to the pledge class with the highest average. Panhellenic sponsors Junior Panhellenic, composed of two members from each pledge class, which is a training ground for future Panhellenic leaders. Junior Panhellenic sponsors an informal party for all sorority pledges and entertains faculty children at a Christmas party.

MOUNTAINLAIR

The future is the focus of Mountainlair this year—as all eyes are turning toward the new union of the future on this campus. Under the leadership of Robert McWorter as Director and Miss Jackie Hogue as Program Director, the Mountainlair Executive and Program Councils have planned a variety of campus activities to appeal to every segment of the campus population—student and faculty alike.

These planned activities are geared for placement in the Mountainlair of tomorrow after they have been accepted as "a good thing" by the campus of today.

Mountainlair is a member of the Association of College Unions, Region III, of which Jerry Sturm was elected president this year at the annual convention in Philadelphia. Through this group our campus can learn of trends on other campuses and of new and interesting programs which can be used here.

Mountainlair has had a very successful year and the future seems still closer as plans continue to take shape for the "new Lair" of tomorrow.

MOUNTAINLAIR

The main function of the members of the Mountainlair Executive and Program Councils is to plan interesting and unusual programs which will appeal to all members of the student body and faculty, entirely or in smaller groups. Committee chairmen are elected in the spring to head the Decorations, Social, Display and Tournaments committees. There is also the Public Relations officer who acts as publicity agent and general Mountainlair salesman. Under these people is a group of general committee people whose job it is to carry out the plans formulated by the council and to bring the general campus population to realization of what is going on at the Lair.

EXECUTIVE COMMITTEE—First Row, Left to Right: Virginia Lemke, Beverly Sullivan, Beck Atwood, Barbara Mummart. **Second Row:** Leonard Koenick, Jerry Sturm, Glenn Toms, Pat Brown.

Planned activities this year have included the Mountainlair Christmas with Count Basie Dance in early December, T.G.I.F. parties every other week, displays of art work and photography, a variety of tournaments for every type of sportlover, weekly Monday movies featuring "big name" titles and stars, and an assortment of unusual programs including the Lair Hootenanny, jazz concerts, and faculty nights.

Much more is being planned for the future and the more people who participate, the bigger and better will be the programs of the coming years.

PUBLICATIONS COMMITTEE

The function of the Publications Committee is to insure competent performance by the members of student publications and to protect the University from injury resulting from irresponsible journalism. The committee, composed of the advisors of all authorized University publications, a legal advisor, and three student members selected by Student Government, appoints executives for student publications and serves as general advisor in legal and policy-making matters. In addition to representing the active publications of the MONTICOLA, "Daily Athenaeum," and "Notes to New Mountaineers," the group oversees the inactive "Monongahela," campus literary magazine, and "Moonshine," campus humor magazine. Quietly and efficiently, the Publications Committee performs its work of supervision without dictation.

DAILY ATHENEAUM

Since its establishment in 1887, the "Daily Atheneaum" has been the "voice of the campus." Now this campus newspaper, with its four editions a week, attempts to provide the University community with complete coverage of the news. To aid the staff, the "Daily Atheneaum" subscribes to the VPI wire service and West Virginia Press Association. Functioning under the managerial leadership of Professor Paul Atkins, the staff of over forty students in the School of Journalism keep the campus informed as well as acquiring skill in journalism.

The 1962 MONTICOLA, centering around the theme of Kaleidoscope and featuring a large opening section of informal pictures, is designed to give as complete coverage of campus life as space permits. Each section—Administration, Leadership, Events, Beauties, Organizations and Honoraries, Greeks, Sports, and Classes—presents a different phase of campus life. Every effort has been made to provide the student body with a yearbook which accurately portrays the University in words and pictures.

The success of the MONTICOLA is dependent upon the co-operation and sustained efforts of its eighty-member staff. Under the guiding hand of Editor-in-chief, Laura Lawless, the editorial staff has transformed ideas from the dummy, which was planned in the spring, into a yearbook that attempts to capture the spirit of WVU. The business staff, headed by Business Manager, Ollie Bates, is responsible for working out the complex financial and business problems of this independently financed enterprise.

Each semester the MONTICOLA awards a tuition scholarship to a student whose academic record and service to the University merits recognition. In addition, financial assistance is given to worthwhile campus projects.

This is the Sphinx Talent Show.

Spin—2—3, Waltz—2—3.

"Let's be friends!"

Just a little smile will chase all those raindrops away.

The shapely fellows on the hill come through with a first.

I wish every visit to the dentist was this enjoyable.

"Keep smiling; girls, we're almost through."

Such grace, such charm, such poise.

"I'll get even with you, big boy"

It's a whale-of-a twist

OUR GIRLS

CAROLE JOHNSON
Miss West Virginia

It is appropriate that Miss West Virginia, the beauty queen of our state, should introduce the beauties section of the 1962 MONTICOLA. Miss Carole Johnson from Rievesville, West Virginia, assumed the title of Miss West Virginia in July, 1961, and will reign for one calendar year. She represented our state in the Miss America pageant, held in Atlantic City in September. Since that time, she has presided at numerous functions all over the state. In spite of her busy schedule, Carole is still a full-time student at West Virginia University, from which she will graduate in June, 1962.

MISS WEST VIRGINIA

THE BROTHERS FOUR

Dick Foley, Mike Kirkland, John Paine, and Bob Flick, brothers in Phi Gamma Delta fraternity, started singing together just for fun at the University of Washington in Seattle. Then, calling themselves the Brothers Four, they began to sing in public. The response to their refreshing, relaxed, yet enthusiastic style was overwhelming. They hit the big time with their first professional job at the hungry i in San Francisco, where they were spotted and signed by Mort Lewis. Within six months they had a Columbia contract and one of the big record hits in the country—"Greenfields." Young, good-looking, and talented, they are proud to admit that their secret is simply having fun with a good song.

The Brothers Four were asked to select the 1962 Monticola Queen and her two attendants. They graciously consented; on the following pages you will find their choices.

1962
MONTICOLA QUEEN

From nineteen candidates nominated by fraternities, the Brothers Four selected Linda Swiger to reign as MONTICOLA Queen. Linda, a petite brunette with a quiet charm and a heart-warming smile, is not only active in campus activities but also ranks high scholastically. This junior, majoring in speech, has wide and diverse interests which range from dancing to playing bridge to fishing. Her sorority, Alpha Xi Delta, and the sponsoring fraternity, Beta Theta Pi, as well as the year-book staff are proud to claim Linda as the 1962 MONTICOLA Queen.

Mortar Board, organized on the WVU campus in 1924, is the national scholastic honorary for senior women. The purposes of Mortar Board are to promote college loyalty, to advance the spirit of service and fellowship among University women, to promote and maintain a high standard of scholarship, to recognize and encourage leadership, and to stimulate and develop a finer type of college woman. The traditional garb of the twelve Mortar Board members is the black academic gown and cap.

One of the special projects of Mortar Board is the annual Mum sale held during the week prior to Homecoming Weekend. To encourage scholarship, Mortar Board presents awards to freshmen and sophomore women who excel in scholarship. Other projects include the graduate program and the book list for freshmen. Social activities include initiation and alumnae banquets.

Mrs. Irvin Stewart, Miss Louise Keener, and Mr. E. C. Jones are the sponsors for Mortar Board.

MOUNTAIN

Mountain, ranking men's honorary, was founded in 1904 in order to foster the Mountaineer spirit and to provide service in building a better school and state. Each spring members are selected on the basis of scholarship, leadership, and service.

This year Mountain initiated a campaign to raise funds for a bronze statue of a mountaineer, which will be erected at a prominent place on campus and will be a constant reminder of the spirit of our Alma Mater. In addition, Mountain sponsors Helvetia and the Mountain Week Team, whose members visit high schools in the state to encourage students to further their education. Mountain annually selects the Mountaineer who serves as a living symbol of the University at sports events.

To deepen their appreciation for the mountaineer tradition, the organization requires its members to participate in a rigorous mountain hike prior to initiation.

Spokes, the youngest class honorary on the campus, was organized in 1956 in order to promote spirit and interest among women students and alumni in serving the University community. Each year thirteen senior women are selected on the basis of scholarship, leadership, service, and character. These "spokes" are formally initiated at the Link Day ceremonies with the traditional wheel formation symbolic of the campus "Big Wheel."

This year an active group demonstrated its spirit of service by collecting for the United Fund drive, by purchasing a permanent plaque for Martin Hall, and by serving coffee for dignitaries in the inaugural procession. In addition, Spokes presented Acting President Clyde Colson with a gift in order to acknowledge his service to the University.

Sphinx sponsors both the Mother's Day Sing and the Sphinx Talent Show, two of the major annual contests in which Greek and independent groups participate. In addition, the group presents the Smith Coburn Award to the freshman male who attains the highest scholastic average and awards to ten men in the freshman class with the highest standing. Members of the organization usher for Commencement, Homecoming Week-end, and other special occasions. Social activities include a Christmas party, a Steak and Champagne Banquet, and a reception held during Greater West Virginia Week-end. The advisor is Dr. Robert Stilwell.

BEVERLY SULLIVAN	Historian

Chimes, junior women's honorary, was organized at the University in 1948 in order to promote the intellectual and cultural development of junior women. Each spring members are chosen on the basis of scholarship, leadership, and service to the University community.

During Freshman Week, Chimes sells beanies to freshmen women and enforces freshman traditions. Other service projects include a party for transfer students to help them become acquainted with the campus and a donation to the Chimes Loan Fund, which is used to give financial support for students in need of assistance.

In an effort to stimulate the cultural development of its members, Chimes has speakers and discussions at meetings and attends programs on campus as a group. To climax their activities, the members take a trip to Pittsburgh to attend a play or concert.

The advisor for the group is Dr. W. A. Carruth.

FI BATAR CAPPAR

Fi Batar Cappar was established on the campus in 1914 in order to boost Mountaineer spirit. Members, chosen from the campus social leaders, undergo a spirited and rigorous pledge period before initiation.

Although the honorary lists "good times" among its functions, Fi Batars often channel their exhuberance into serious and worthwhile projects. Members assisted with the collection of funds for the United Fund Drive, donated trophies for the Homecoming float competition, and presented the President of the University with a record player. At thuses and home football games, the pledges make sure that enthusiasm never dies, regardless of the score. The humorous antics of these men in bathrobes furnish the student body with a social pep pill.

Mr. Fred Wright serves as advisor for the group.

Dolphin Swimming Honorary was organized in 1936 to provide an opportunity for students interested in swimming to enjoy the sport together. It has enlarged its scope so that its goals now include the instruction of the fundamentals of synchronized swimming and of diving as well as the development of swimming skills.

The climatic activity of the year is the annual spring pageant. In this year's production, based upon the theme, "The Signs of Zodiac," the members of Dolphin presented their original interpretation of this imaginary belt in the heavens. Nearly professional execution combined with colorful costuming made this pageant even more successful than in the past.

In order to deepen the meaning of becoming a qualified member, students pledged in the fall are required to wait until the second semester to become active members. Initiation is held after the spring pageant.

West Virginia University boasts of three bands, which are the Mountaineer Marching Band, the University Concert Band, and the 45-piece Wind Ensemble. The Marching Band, adorned in the traditional blue and gold uniforms, performs at all football games. The Concert Band, commonly called the basketball band, is divided into two sections, the Blues and the Golds, which alternately play for home contests. The Wind Ensemble, which is termed a "highly selective" group, plays the most difficult music and has as its objective the study and performance of band literature of the highest caliber.

The bands, consisting of 114 members, are under the direction of Lawrence Intravaia. Contrary to the general opinion, members need not be music majors. In fact, this year almost 50 per cent are non-music majors and half of these are engineering students. WVU is proud of her bands, which provide color, spirit, pageantry, and entertainment at athletic events and all-University functions.

CAVALETTES

OFFICERS

SANDRA OCH	President
PEGGY BROWN	Vice-President

ELIZABETH KISNER	Treasurer

Organized in 1957, Cavalettes is now an important part of the West Virginia University campus. This group of women provides the opportunity for Independent Women Students to band together to participate in worthwhile projects as well as take part in those ever-loving social functions with their brother organization, the Cavaliers.

Many of its members are active in campus activities such as Sigma Tau Sigma, A.D.E., and SNEA as well as active in their own projects, which include erection of a Queen's float for Homecoming, Christmas and spring formals, and picnics in the spring. Showing a great deal of spirit and talent, these girls also participate in Sphinx Talent Show and the women's intramural program.

Although a relatively new organization, the Cavalettes have already formed their clear cut ideals and purposes which are to serve as an expression for independent women, socially, culturally, and educationally. Helping these ambitious girls on their roads to success is Miss Kathryn Buswell, their sponsor.

CAVALIERS

Cavaliers was introduced to the WVU campus in the fall of 1957 as a unique organization for University men not affiliated with one of the Greek groups. Both Cavaliers and Cavalettes, the sister organization, started as separate groups of the Independent Student Association. However, Cavaliers became fully recognized on campus as an active organization when the Independent Student Association was dissolved during the fall semester in 1959.

The purpose of Cavaliers is to offer fellowship and social functions to independent men students. It is a social-service organization. The annual and traditional project of the Cavaliers is the construction of the Mountaineer Statue. In cooperation with the Cavalettes, they design, build, and decorate the Queen's float for Homecoming Weekend. They also participate in the yearly Sphinx Talent Show. Their social activities include several picnics, a Christmas party, a Spring Formal, and many joint functions with the Cavalettes.

Alpha Xi Delta

First appearing at Lombard (now Knox) College, Galesburg, Illinois, in 1893, the golden Quill in 1905 signed the name of the first chapter of the first national sorority to appear on the W.V.U. campus—Iota of Alpha Xi Delta. Today's "Fuzzies" point with pride to a sisterhood that includes the 1961 and 1962 Homecoming queens, the Vice-President of the Student Body, the chairman of the AWS Program Board, two freshman cheerleaders, members of Mortar Board, Spokes, Chimes, and Li-Toon-Awa, six ROTC sponsors, the President of Woman's Hall South and the Secretary of Terrace Hall. The Alpha Xi's placed second in the 1961 Sphinx Talent Show. Included in their social calendar were a "Sneak Preview of Christmas" party, a Sloppy Joe party, a S'more Fun Party, and the Rose Formal. As if this were not enough to keep them occupied, the girls also dress Salvation Army dolls to sell for charity.

All this work for one night?

Gamma Phi Beta, one of the oldest national sororities, was founded at Syracuse University on November 11, 1874. The newest sorority on this campus, Alpha Pi of Gamma Phi arrived in 1959. The sorority claims members of Li-Toon-Awa and Chimes, the Vice-President of the Sophomore Class, and the Lambda Chi Sweetheart. Paralleling the national philanthropy of operating camps for underprivileged girls, the pledges of the local chapter have chosen as their project sending handicapped girls to camp. KAPPA KAPPA GAMMA

When I was young, this was how we spent our Saturday evenings.

In 1870, at Monmouth College, Monmouth, Illinois, Kappa Kappa Gamma began a long and successful existence. Beta Upsilon chapter, founded in 1906, soon learned that the key to success is work, and plenty of it. The result is honors and plenty of them. The Kappas placed first in scholarship for 1960-1961, first in the Mother's Day Sing, 1961, and first in the Sphinx Talent Show, 1961. Locally, they sponsor a Kiddy Christmas Party, dress dolls for underprivileged children; nationally, the Rose McGill Fund aids sisters who are in need due to illness or misfortune. Members include the Vice-president of the Senior Class, the Vice-president of the Freshman Class, the Mountaineer Weekend Queen, a Homecoming Freshman Princess, the President of Terrace Hall South, members of Phi Beta Kappa, Mortar Board, Chimes, Spokes, Li-Toon-Awa, seven ROTC sponsors, four freshman guides, and five on AWS governing boards. Listed on a full social calendar are the Founder's Day Program and Dessert, Homecoming Buffet, Christmas Party, April Spring Formal, Mother's Day Breakfast, and pledge-active dinners. On April 28, 1867, twelve girls shot an arrow into the air and it fell to earth in the Monmouth College campus. Almost a century later, West Virginia Alpha of Pi Beta Phi, which joined the other WVU sisterhoods in 1918, has grown into a chapter to which its founders would be proud to be pledged. In 1935 the chapter went inactive; however, in 1949 it received its active charter again and has been prospering ever since. In 1960-61 the Theta Chi's were the Intramural All-Year Champs in the "B" league. Included on their social calendar are annual Halloween and Christmas parties, "Quick-change" Parties, and their Dream Girl Formal which is held in April.

The leaders of the chapter are: Carlo M. Demetrio, president; R. Brent Koontz, vice-president; Carl M. Frasure, Jr., secretary; and Jon C. Lankford, treasurer.

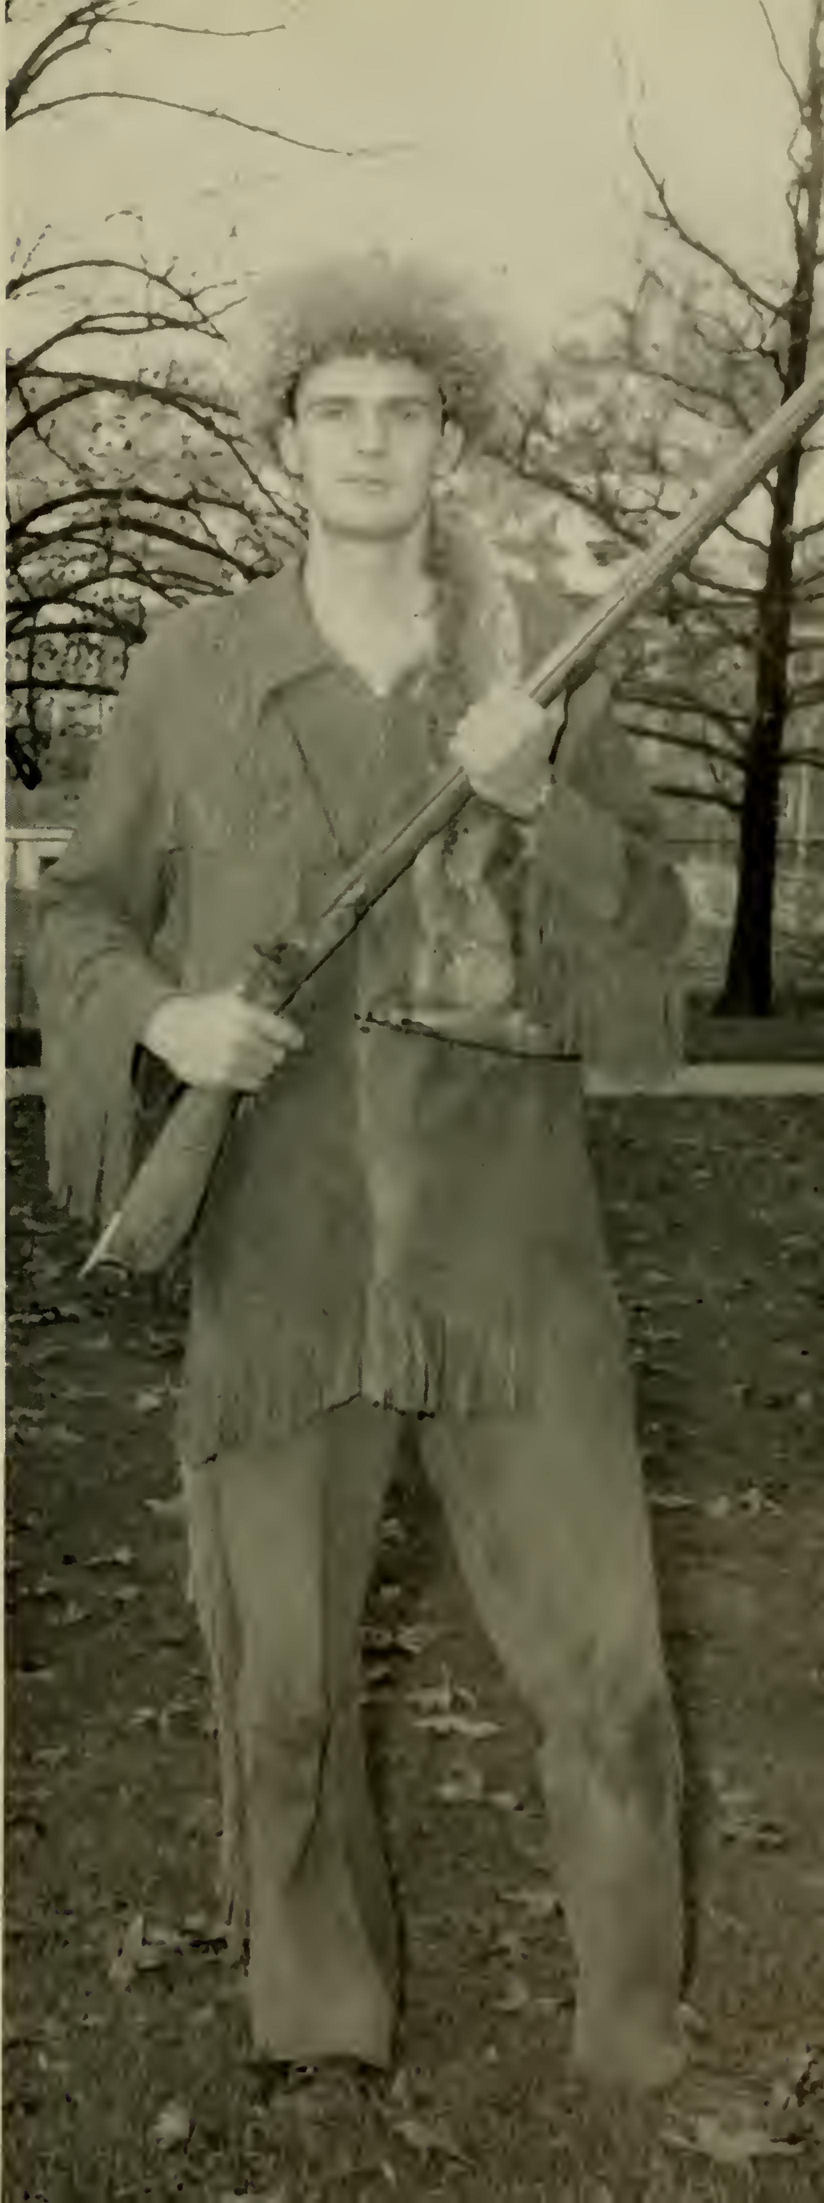
THE MOUNTAINEER

The Mountaineer, symbol of West Virginia University, represents the courage and ruggedness of his past counterparts. Depicting an individualism which carved this land from the wilderness, he moves forward in his adventure into higher education. The sound of his long rifle has become familiar to every West Virginia fan, and is rapidly becoming the trademark of our "Alma Mater" across the country as the fame of Mountaineer teams spreads.

He combines the past, present, and future of our school and state. As long as there is a West Virginia University, there will be a Mountaineer to exemplify the spirit of "loyal Mountaineers" in action.



CHEERLEADERS

"Let's go, Mountaineers" is the echo of a familiar cheer issuing from the stadium or fieldhouse. From the beginning of the thuse until the last play of the game, the cheerleaders are out in front of the student body keeping up spirit and enthusiasm. Whenever possible, they travel with the team in order to lead the cheers of the faithful fans who follow the team.

The size of the squad as well as the proportion of men and women varies from year to year, but the qualifications remain the same. Members are selected by a panel of judges on the basis of different phases of cheering ability. Once appointed, both freshman and varsity cheerleaders spend much time in practicing the cheers and in rousing interest in group cheering at sporting events.

JOHN CLOVIS
Co-ordinator

Spiriteers, the flash card section which performs at all home football games, was organized in 1952 in order to promote school spirit and to induce pride in the student body of West Virginia University from those who witness the group in action. Through the hard work of the committee that plans and organizes the card section, color and pageantry have been added to many half-time ceremonies. Because of lack of student interest and cooperation, and because of criticism of the alleged discrimination of persons allowed to participate, the Athletic Council has decided to discontinue Spiriteers in its present form.

VANDERBILT 16
WEST VIRGINIA 6

West Virginia University's 1961 football team entered the final week of pre-season training with a better picture promised for the fall. The reasons for the improvement were (1) a better first unit than last year at every position, (2) more experienced reserves, (3) depth in linemen, and (4) a close proximity in strength to the opposition.

The first test for these advantages came with Southern Conference foe Richmond. West Virginia's sophomore quarterback, Fred Colvard, lived up to pre-season expectations by scoring two quick touchdowns, one a 68-yard punt return, and by putting the Mounties ahead 12-0 in the first quarter. Bruce Bosely, alternate fullback, scored in the second quarter and the Mountaineers led at halftime 20-14. Richmond, led by their triple-threat quarterback, Mel Rideout, came back to score three touchdowns in the second half and won the game 35-26. Colvard again scored in the third. That the Mounties lost five fumbles accounts in part for this loss.

Embittered by this loss, the Gold and Blue were bent on revenge at the expense of Vanderbilt. However, the only offensive showing stemmed from the defense when halfback Eli Kasonavich intercepted a pass and went 53 yards for the score. The Mounties returned home not only defeated but also crippled. Twelve men were injured including firstliners Colvard, Bob Timmerman, Keith Melenyzer, Dieter Garrett, Gene Heeter, and Frank Schneider.

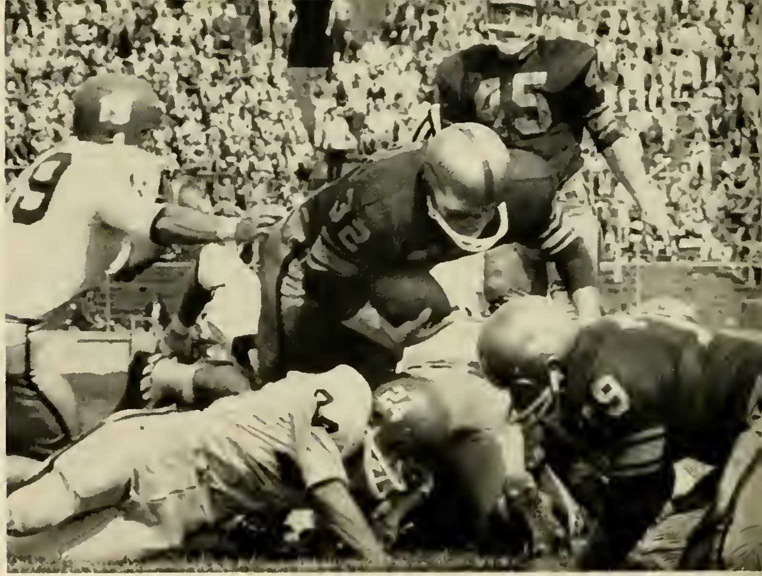
score and give them a 29-14 victory. West Virginia University had knocked on the goalposts in the last quarter only to fall short. Halfback Jim Moss scored on a brilliant 89-yard pass interception and Glen Holton on a two-yard plunge. All-American Ernie Davis was held to 35 yards and asked the Mountaineer linemen after one jarring tackle, "Don't you guys read the papers? I'm an All-American."

WEST VIRGINIA 28
VIRGINIA TECH 0

At home the next week, the Mounties could not be denied any longer. They exploded at the expense of Virginia Tech for a 28-0 score. Steve Berzanski, Colvard, and Roger Holdinski all scored on short plunges and Ken Herock took in a pass to tally a score. Colvard also passed for 102 yards.

WEST VIRGINIA 20
PITT 6

Our old rival, Pitt, was not totally unaware that the Mountaineers had their muskets lowered on them, but even fright failed to help them. Paul Gray recovered a Pitt fumble in the end zone for the first marker. Pitt revived to score and at half-time the score was WVU-7, Pitt-6. Roger Holdinski then took charge. He took in a pass from Colvard and raced 30 yards for a score. In the third period, he ran 30 yards for his second touchdown. The big factor in the victory was team play and the ability to get that first down when it counted.



BOSTON UNIVERSITY 12
WEST VIRGINIA 6

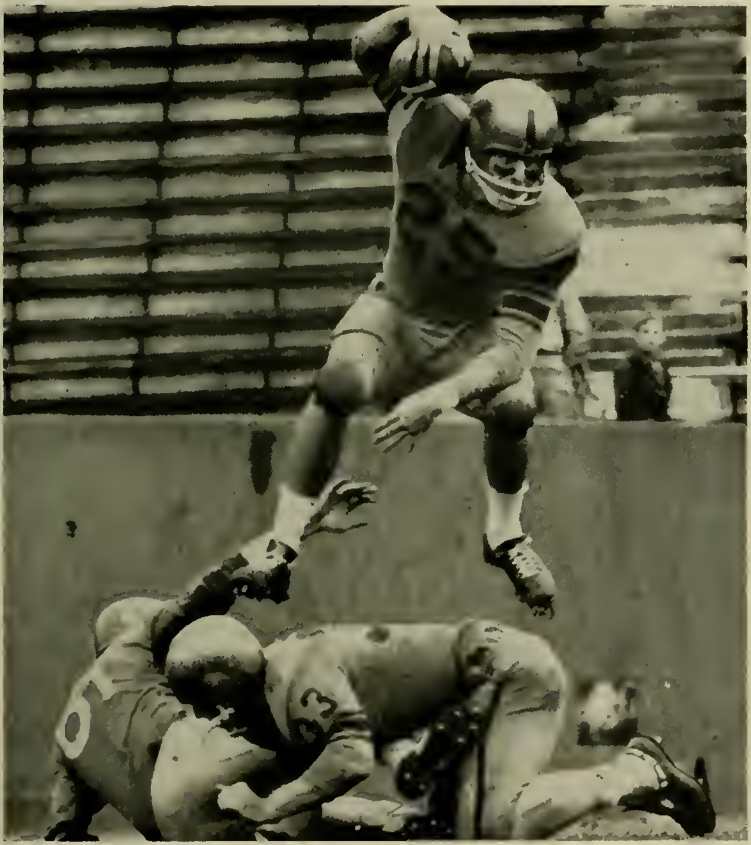
With Boston the next intended victim, the Big Men of the Gold and Blue left Mountaineer Field with blood in their eyes. But Boston seemed to be more intent on victory than did the Mounties. After fighting to a 6-6 tie in the first half, the men of Beantown finally scored in the final quarter to eke out a 12-6 win. Tom Woodeschick ran 57 yards for the Gold and Blue lone marker.

WEST VIRGINIA 7
ARMY 3

This defeat added insult to injury and their next opponent, Army, had no idea what was to happen to them the next Saturday afternoon. Combining a tremendous defense with a raw-boned fullback named "the Horse," the Mounties pulled one of the upsets of the year, scoring a 7-3 victory over Army. Holton, bruising Gold and Blue fullback, crushed through the Cadets' line for a total of 121 yards. The icing on his cake was a 9-yard romp to TDville.

WEST VIRGINIA 12
GEORGE WASHINGTON . . 7

Gathering momentum, the Mounties next attacked George Washington University. Starting quick, Colvard hit halfback Procopio for a 41-yard pass play and a touchdown in the first quarter. After a G.W. score, Holton scored in the third quarter. Holton again sparkled, gaining 97 yards. Colvard unlimbered his arm to pass for another 98 yards.



PENN STATE 20
WEST VIRGINIA 6

Another traditional rival, Penn State, invaded the Mountaineers for an easy victory. The homecoming crowd of 30,000 fans were disappointed by the game. Although the Mounties outplayed the Nittany Lions, they could not seem to cross into the end zone. Berzanski finally did that in the final stanza, topping his fine performance of 69 yards gained. Time and again the Mountaineers moved inside the ten, only to have an accidental fumble or penalty turn them away from a goal.

A Big Ten representative, Indiana, came to Mountaineer Field next. West Virginia, still angry, struck quickly on a 45-yard field goal by Steve Bennett and a pass by quarterback Yost to Dick Struck, converted end, to give them a 9-7 lead over the Hoosiers at half-time. In the last quarter of play, the Indiana men finally wore the Gold and Blue down and scored on a TD and a field goal to finish a 17-9 victory over WVU.

Thus ended the 1961 football schedule and the help of eleven experienced seniors. But the forty varsity members that remain and one of the finest freshman teams in years promise to stock Coach Gene Corum's pantry with talent.

BASKETBALL

Catlett battles G.W. for rebound.

The West Virginia University Basketball Team opened its 1961-62 season wtih a victory over a short William and Mary team. Everyone on the team played as the Mounties scored a 69-53 victory. Thorn started a fine season by scoring 23 points; McCormick followed with 15 while Sophomore Tom Lowry snagged 12 rebounds.

Following this fine opener the Gold and Blue scored sound victories over VMI (90-56), the Citadel (78-70), Furman (96-79), and Richmond (97-61), all conference meetings. Furman's coach commented on the Mounties' size, speed, and hustle. "This could be their greatest team ever," he said.

The Gold and Blue then traveled to the home of the Nittany Lions to battle a strong Penn State team. To everyone's surprise the Mounties walked away with an easy 79-67 victory. The Duke Blue Devils came to Morgantown hungry for a win in their climb to national power. All-American Art Heymon and Jeff Mullins led the Dukes to a 69-65 victory over the boys from West Virginia. McCormick and Lowry shined in the loss, the Mounties' first of the season.

The team next headed for Los Angeles where they participated in the L.A. Holiday Tournament. Here Jim McCor-

mick could not seem to hit the basket and so went the Mounties, losing to Utah by a 84-83 score and to Purdue by 86-79. Lowry did a good job holding All-America's Billy McGill and Terry Dischiger, but the team was cold from the floor.

On the third night, a tired squad took on Army and sent them to their fox holes with a 73-58 bombing, just before Jerry Lucas scored 38 points and led undefeated Ohio State to the Tournament Championship. Rod Thorn was elected to the All Tournament Team along with giants Lucas, McGill, John Rudometkin, and Chris Appel.

Returning to Morgantown, the hardcourt stars found VMI waiting. However, the Hillbillies controlled the action and won by a score of 101-79. Villanova entered the Mounties' den next and scampered home to the comfort of Philadelphia newspapers when they had only 82 points to our 88.

In another conference round, WVU took on foes Virginia Tech, George Washington, and Richmond and dispatched them 85-81, 120-68, and 82-73 respectively. The victory over George Washington was a sound one, but co-captain Paul Miller was injured and missed the next two games. Thorn hit for 94 points in these 3 games and McCormick, Lowry and the other captain, Kenny Ward, all were hitting with no mercy for the conquered.

Bitter rival Pitt next entered the hilly city and were snowballed to an 88-78 defeat. Thorn and McCormick continued their scoring sprees and Lowry pulled down another 14 rebounds. William & Mary waited in Norfolk for revenge

for their early season defeat at the hands of Mounties, but McCormick and Lowry combined for 38 points and the Gold and Blue went away victors once more. But another team waited for revenge and it was not in vain. Virginia Tech scrapped to an 85-82 win over the Mounties in spite of balanced scoring and rebounding by the West Virginians.

Continuing their road trip the Mountaineers traveled to meet Len Chappell and Wake Forest. Jim McCormick scored 35 points and Rod Thorn 26 as the men in blue raced to a 101-99 victory despite All-American Chappell's 37 points. Thorn played with a bandaged ankle but could not compete in the next game at North Carolina State. Miller, Lowry, McCormick, Shick, Dubois, and Ward all scored in double figures as the deep south tall men were defeated 82-81 in overtime. This was a tremendous tribute to a team which had previously played around Thorn.

Streaking north with two victories over two strong teams, the Mounties came, fought, and conquered a rough and tumble Pitt club. Thorn was back and the Panthers knew it as he scored 24 points. Lank Lowry scored 15 points in the pivot and pulled down a season high of 22 rebounds.

Following a conference victory over George Washington,

Catlett shoots over Penn State defenders.

87-62, the Gold and Blue traveled to Madison Square Garden where an aroused New York University squad scored a resounding 85-75 victory over the hill country basketballers. Although weakened severely by the loss of two first string men, Miller and McCormick, the Gold and Blue swept through Syracuse, Penn State, and Furman, 86-72, 79-60, and 101-86 respectively. The victory over Furman gave the Mounties a 21-5 season victory mark, good for any team. Ed Bode, Dick Dubois, and Kenny Ward played their last home game and played it well.

The weakened Mountaineers were now ready for the Southern Conference Tournament. Star guard, Jim McCormick, had scored 15.4 points per game and would be sorely missed. Miller also had been scoring in the double figures. Only nine men were traveling to Richmond, or eight considering that Coach George King saw fit to let a huge, smooth moving center named Gary McWilliams gather cobwebs on his shoes all season.

Richmond was laid by the wayside 97-75 but little Dick Dubois was put out of commission and even smaller Donnie Weir, substituting for a substitute, helped lead the Mounties to victories over George Washington, 86-73, and Virginia Tech, 88-72, for the title of Southern Conference Champs. Weir, who also spent most of the season green and on the bench, must be credited for tremendous stamina—something he was not conditioned for in the regular season. He played almost as many minutes in his two tournament games as he did in the 26 games of the regular season.

These victories enabled WVU to enter the NCAA once more. This time their first game was with Villanova, a team they had beaten earlier. Played in Philadelphia on the Wildcat's home court, the game promised to be a thriller. At half-time West Virginia led by a score of 42-39. Lowry was the big man as he led all scoring with 14 points. But the Villanova team came out of the dressing room a different team and with the crowd cheering them on, Hubie White, George Leftwich and Wally Jones led a relentless attack which saw them emerge victorious 90-75.

Thorn closed out the season with 23 points, five behind White's total. The All-American averaged 23.7 points per game and snared 12.1 rebounds per game.

Also averaging in double figures for the season were Tom Lowry and co-captain, Kenny Ward. Lowry also pulled down rebounds at a 10.7 rate. As the Mounties closed out the season with a very creditable 24-6 record, they became another in the long line of West Virginia's great teams.

CROSS COUNTRY

Coach Romanaski and his squad watch Captain Herb Rogers finish a cross-country run.

Coach Stanley Romanaski's Cross Country squad completed a comparatively good season considering the youth of the sport at WVU. The Harriers completed the season with five wins and three losses. After winning a meet with West Virginia Wesleyan, Fairmont State, and Bethany, the Gold and Blue traveled to meet VMI, William and Mary, and Richmond. The Ohio University Bobcats defeated the Mounties, but West Virginia bounced back to triumph over Georgetown University. The Mounties defeated Pitt the next week and followed this feat with wins over Carnegie Tech and Geneva. Rae, Meador, Kubic, Kersey, and Rogers all ran well for Romanaski this season.

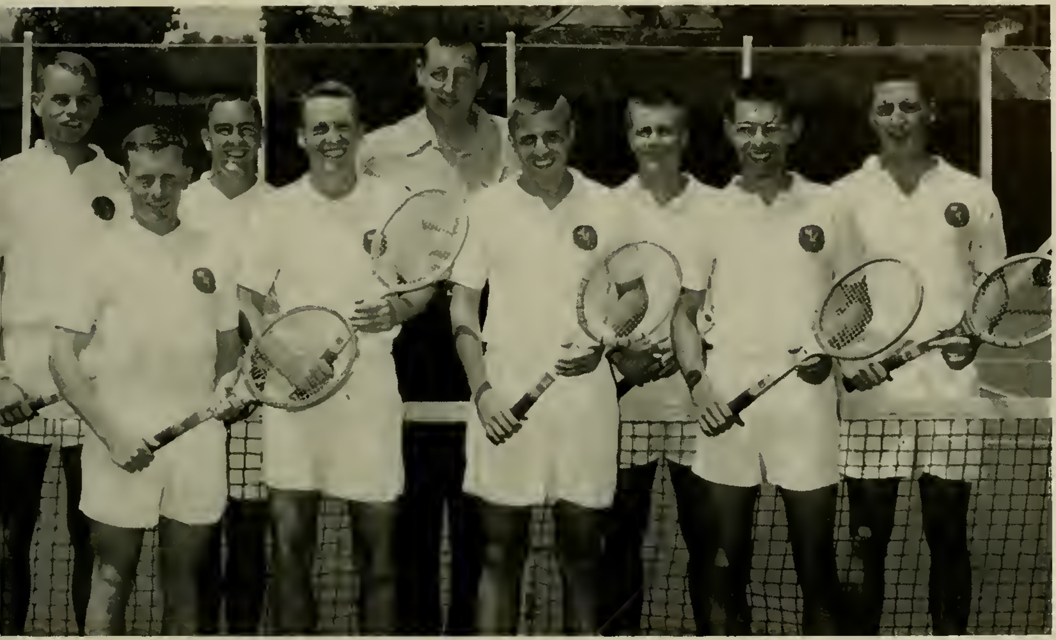
FRESHMAN FOOTBALL

This year, Coach Ed Shockey's freshman football squad finished the season with a 4-and-1 won-lost record. This marked the most successful season for the little Gold and Blue in five years. The Frosh rolled up an average of 204 yards per game—strong in any league. Coach Corum is looking forward to welcoming many of these boys to the varsity next year. Among the best are Milt Clegg, Ed Pastilong, and Tom Yeater—"the terrible three" of Moundsville. On the line, the varsity will be boosted by Joe Pabian, 250-lb. tackle from Barton, Ohio.

TENNIS

WVU's tennis team, coached by Dr. Ruel Foster, hopes to equal or better last year's won-lost record of 6-6. Among the returnees for this year's team are Captain Bill Schaffer, Sonny Warner, New Ragland, and Chuck Bibbee. Byron Kallam and Steve Levine will join the varsity from the freshman ranks. This year's schedule includes such powers as University of Richmond, Washington and Lee, William and Mary, Penn State, Pitt, and Washington and Jefferson. In spite of the lack of indoor practice facilities and topnotch outdoor courts, tennis has made tremendous gains in the last few years.



TENNIS TEAM—Left to Right: Chuck Bibbee, Don Martin, Buzzy Raglin, Bill Shaffer, Coach Ruel Foster, Sonny Warner, Don Conaway, Warren Duboise, Bob Morgan.

Golf Team—First Row, Left to Right: Sam Urso, Charles Watkins, Bob King, John Lynch. **Second Row:** Bill Dunlap, Sid Bennett, Coach Ira Rodgers, Jim Hess, Jr., Gary Loring.

Five returning lettermen from a team which last year won seven of 13 matches form the nucleus of the 1962 Mountaineer golf team. The five are Bennet, Loring, Hess, Watkins, and Lynch. Last year's linkmen finished with a record of seven wins, five losses, and a tie. Coach Ira Rodgers' charges posted two victories over Fairmont State and one each over Richmond, Baltimore, Washington and Jefferson, Juniata and Pittsburgh. The defeats came at the hands of Washington and Lee, Penn State, Ohio University, William and Mary, and Virginia Tech; the tie was a 9-9 struggle with Pitt.

GOLF

SWIMMING

Coach Jim Markel, a newcomer to West Virginia University, guided the Mountaineer Swimming Team in its second winning season in as many years. Wins came twice over Davis and Elkins, Fairmont State, and Bethany College, plus a single victory over Ohio University. Losses came at the hand of Pitt, VPI, VMI, Westminster, Slippery Rock, and Grove City. The team started out strong but injuries and eligibility problems reduced the swimmers to a skeleton crew. Dave Kohler, Ed Albright, Bud Swiger, Larry Craigo, and Kenny Means were the top scorers for the Gold and Blue this season.

RIFLE

Major Means and Sergeant Haley have reason to be proud of their rifle squad. Although the Southern Conference Championship eluded them, the team won a National NCAA title for the second year in a row. All-American for the second year, Bob Davies, led the riflemen in accuracy. Right with him this year were scrappy Lou Rowan and Marilee Hohmann. Marilee, the first young lady ever to be a member of any university varsity squad, does not let the "weaker sex" down; she was in the top four scorers for the Gold and Blue.

GYMNASTICS

The gymnastics team enjoyed its first winning season, in which it scored a total of 379.5 points against the total opponent score of 370.5. Their season record, 4-3-1, includes wins over Ball State, Slippery Rock, Ithaca, and Cartland. The three losses were at the hands of Ohio State, Pitt, and Navy; West Chester was the only college to tie the Mounties.

Ed Ebler, the outstanding varsity scorer, accumulated an all-time high of 161 points. The team captain, Bill Schiveiker, was the second highest scorer with a total of 109.5 points.

Coach Steve Harrick celebrated his twenty-fourth season as wrestling coach by leading the Mounties to a 7-3-1 win, lost, tie record. The Gold and Blue wins came over Baltimore University, Indiana State College, Fairmont State, VMI, The Citadel, and Washington and Lee University. In the Southern Conference Meet Sophomore and Captain Roy Sisler won the title in the 167-lb. class.

Coach Harrick beams as he relates how many of his boys are graduating this spring —none! Along with this good news comes the tale that the Freshman wrestlers compiled a 6-0-1 record this year, making next year look mighty good for the deserving Harrick.

BASEBALL

Mountaineer slides safely to third.

Coach Steve Harrick was proud of his baseball squad when they came back from Gastonia, North Carolina. Although the Mountaineers had been defeated, Harrick felt they gave the opponents a real scare. WVU led in the 7th inning of the game against Duke in the NCAA District finals, 1-0. Finally Duke exploded and the final score was Duke 7, WVU 3. In gaining the finals, the Monties had won the Southern Conference Championship and beaten the nationally 5th-ranked Florida State.

Ed Tekavec was elected 2nd-string All-America at 3rd base. He batted .381 for the season, and fielded 98.8% of his fielding chances cleanly, pretty good for the hot corner. Frank Paczewski, Craig Mankin, Jim Procopio, Joe Hatalla, Tom Shafer, and Joe Jeran also sparkled on the diamond for the Gold and Blue. Paczewski was the lone graduate of last year's squad. Another conference championship should be expected for the Mountaineers. With added experience on the pitching mound, the baseballers will be better than ever.

BASEBALL SQUAD—First Row, Left to Right: Joe Verciglio, Bill Harris, Bob Stone, Bill Hawley, Gary Saunders. **Second Row:** Jim Procopio, Steve Berzansky, Tom Shafer, Tom Stepp, Captain; Joe Hatalla, Andy Tokas, Frank Paczewski, Bill Smith. **Third Row:** Coach Steve Harrick, Craig Mankin, Wendell Backus, Joe Jeran, Ed Tekavec, Bob Peyton, Rod Raines, Steve Kramarich, Theron West, Trainer Whitey Gwynne.

TRACK

Varsity Track, supposedly a major spring sport, has had a slow start towards national recognition at WVU. This year a big step should be made toward that goal. Only lettermen Martin Pushkin and John Kanter have finished their eligibility. The record-breakers—Dieter Garrett, Roger Holdinsky, Steve Soltis, and Richard Harrison—will be joined by the top sophomores, Joe Kubic and Roger Meador. In addition, Doug Kersey, Charles Rea, Herb Rogers, Larry Knight, and Gene Heeter should shine on the cinders. Last year's squad compiled a 4-2 record, good enough for third place in the Southern Conference. The thinclads should prove to be the best group ever assembled at the University. Coach Stanley Romanaski feels that with a few of the breaks falling our way, a Southern Conference Championship could be brought to Morgantown. With the array of good talent on hand, this should be a task of which the cindermen are capable.

CLASSES

MEDICAL SCHOOL SENIOR CLASS

This year, for the first time in history, West Virginia University bestows the degree of M.D. upon graduates of its newly established four-year school of medicine. The graduating class consists of sixteen members who elected to remain at their state University to complete their medical school training. When the students first appeared on the wards of the hospital, there were only sixteen patients; by August, 1961, there were 160 inpatients, representing a tenfold increase in census. For these medical school graduates, it has been a rewarding and satisfying experience to be a part of the forward step in West Virginia's medical progress which the Medical Center represents.

Look for the Steelmark when you buy

When the STEELMARK appears on a product in a store, it means that the product is a good buy, that you will get your money's worth because it is made of steel produced in the United States by American men and women. It has become a symbol of a progressive industry.

The STEELMARKS above represent the types of fine steel produced by the men and women who work in the mills at Weirton Steel Company. These people have demonstrated their awareness of the direct relationship between the company's sales and their jobs. The security of their jobs depends upon the success of Weirton Steel in competing with foreign steels and other American products.

The STEELMARK is helping Weirton Steel sell American steel. The people of Weirton, both company employees and other residents, are also helping the nation's economy when they look for the STEELMARK when they buy.

THE MOON...
and beyond!

Bright, new horizons await today's students . . . new technologies . . . new medicines . . . even the moon and whatever lies beyond.

How far today's students go in this space age depends partly on their imagination but primarily on their training. Conquering new horizons will demand more of today's graduates — more knowledge, more skills, more training and more specialization.

Our Free Enterprise system, with its high living standards, gives everyone an opportunity to "shoot for the moon" in any field. Whether or not our target is reached depends on how well trained we are to launch ourselves.
